"this music dwells in the realms above, permanently."

Have you ever wondered what it takes?

*Each musician has an independently remarkable journey...
Opera with it's thrilling highs, exotic beauty and ingrained traditions,
demands above all, courage and commitment*

*Experience the power and sensitivity of these artists, as Italian pianist,
director and composer; **Alessio Nelli** joins soprano
Michelle Ryan & mezzo-soprano **Hannah Fraser** to perform an intimate
recital of operatic favourites*

*These two young opera singers moved to Sydney from rural NSW to study
at The Sydney Conservatorium of Music. After performing together on
many memorable occasions through appearances with reputable groups;
Song Company; Voci Stupende, Cantillation & Pinchgut Opera, they went
on to conquer Europe, debuting in operas throughout Germany, Austria,
Czech Republic and Italy.*

*Yet another dynamic musical collaboration began, after Hannah Fraser
and Alessio Nelli (pianist and assistant director of the 'Orchestra della
Notte della Taranta), first shared the stage in Festival della Valle d'Itria's
highly acclaimed productions of Rossini's 'The Barber of Seville'*

*Witness, as these breathtaking journeys come together under one
spotlight, enriched with experiences gained from European and American
industry professionals Sherrill Milnes, Richard Bonyng AC, CBE,
Sesto Quatrini, Fabio Luisi and more...*

These concerts will be a musical feast not to be missed!

**ROSSINI • BELLINI • DELIBES
• OFFENBACH • MOZART**
